

Saugandh Vidyadharani, a student at West-Windsor Plainsboro High School South. Science, math, art, and writing are some of my interests. Bringing people's voices to the forefront is one of the reasons I joined Connect with Humanity. My other responsibilities include the secretaryship of AIME, Interact Club, and Conserve 2 Preserve. I believe everyone should be treated equally with respect. Through Connecting with Humanity, I hope to make people's voices heard.
